County Reports:

Inter Area 'A' vs Reading 'A' – scheduled for 7th April – and will be played at The Cardigan Arms.

Currently short of a player – trying to get Stewart but negotiating with Jason Dunkley. Stephen, Simon, Stewart, Andy, Lorin are the likely team.

Inter Area 'C' – great win against Wallingford 'C' overturning a 3-2 deficit with a 6-4 win in the 'C' team shield. The captain and league is very proud of their efforts..

Northants Open & 4Pin

4-pin – currently 20 registered players only.

Secretary:

Discussed incident with Ray Crawford. Keith gave his account and noted that Ray did apologise to Sandy. The matter was discussed at length and it was also noted that Ray has been approached several times to offer his own view on the incident – no response has been received.

The matter was unsavoury and was particularly disappointing given the amount of effort that goes in by many to make the league an enjoyable place to play.

A vote on the suspension of Ray until further notice (but at least until AGM) was taken with subject to his explanation of events. **Unanimously carried.**

Summer League – single division played once only.

Any Other Business:

28th – TB rearranging pairs.

New slate – if it works then will go on Cock A first.
