

Committee Meeting March 16th 2022 @1945 by Zoom

Present: Tony B Simon, Mary, Jim, Stevie Gary Stephen, Leanne

Apologies: Alan, Jason, Adam and Michelle

Meeting opened by Chairman at 1945

Meeting called to discuss Martin Atwill's resignation from committee

Reasons were discussed and it was felt that, though there were extenuating circumstances for Martin's behaviour at match v Carlsberg, Martin had not communicated sufficiently how he was feeling at the time, and considering that this was not an unusual occurrence from him, there was justification in complaint lodged against him. Therefore, the committee accepted his resignation and thanked him for his service to Northants Bar Billiards. Hopefully he will continue as a valued member of the league.

Tony has assumed running of Lotto and has conducted his first draw ... winners paid very speedily and congratulations to them.

A.O.B.

Thanks were given to Michelle for organising another very successful Race Night... extremely well attended and enjoyed by all. £334 added to league funds as a result. Funds stand at £5023.17.

Squads for county games have now been decided and Mary will pass names to Simon and contact details to captains. Ian Underwood and Keith Thomson have been appointed as B and C team captains respectively. Simon continues as A team captain.

No official reports from other officers as this was an extraordinary meeting called to discuss resignation.
