Data and Stats: nothing to report.

Comms: Tony reported "some progress made".

Secretary: Not Present however no matters were outstanding from our last meeting.

AOB:

- 1 Martin Atwill raised the subject of a donation following Ted's sad passing and a donation of £50 has been made to Dawn and Ted's chosen charity.
- 2 Martin again raised the subject of food being provided by venues following winter league games. A discussion took place and in essence there is no rule governing this, it is up to the individual landlord and not for the committee to make hard and fast rules. This applies equally to the purchasing of a drink by the loser for the winner of each game. Again there is no hard and fast rule and certainly nothing in the rule book and therefore this must be left to individual preference.
- 3 As Tony Britten is only stand in secretary for these and the last minutes, he will endeavour to ensure that all minutes are in future posted on the website and sent to all interested parties.
- 4 The subject of trophies was discussed at length and, whilst a firm decision was made to rename the Blind Pairs trophy in memory of Ted Dunkley, the purchasing of all future trophies is under review.
